

Companion Document For
ANSI ASC X12N 278 4010A1 (Health Care Services Review Information – Request for Review and Response) Receipt from
Alabama Medicaid

The Health Insurance Portability and Accountability Act (HIPAA) requires that Alabama Medicaid, and all other health insurance payers in the United States, comply with the EDI standards for health care as established by the Secretary of Health and Human Services. The ANSI ASC X12N 278 implementation guides have been established as the standards of compliance for Health Care Services Review Information – Request for Review and Response transactions. The implementation guides for each transaction are available electronically at www.wpc-edi.com.

The following information is intended to serve only as a companion document to the HIPAA ANSI ASC X12N 278 implementation guide. The table contains specific requirements to be used for processing data in the Alabama Medicaid Management Information System (AMMIS).

The use of this document is solely for the purpose of clarification. This document supplements, but does not contradict, any requirements in the ANSI ASC X12N 278 implementation guide.
